(3" × 3") size and 10 gauge thickness for fencing purposes. A wire of the same metal and thickness should run intermoven on top and bottom sides of the width of the fencing to give it a straight and parallel edge. Tenders will be accepted in the office of the Conservator of Forests, Panaji up to 3 p. m. on 9th May, 1973 and will be opened immediately thereafter in the presence of those present in the office of the Conservator of Forests.

Other conditions for the supply will be as follows:—

1. Tenders should be accompanied by an Earnest Money Deposit corresponding to 2½% of the total value of supply in the form of Demand Draft or Deposit at Call drawn on any scheduled Bank in favour of the Conservator of Forests, Panaji. The tenders received without earnest money will not be entertained.
2. The tenders should be accompanied by the samples of the chain link proposed for supply. The tenders received without samples may not be considered. The prices quoted should be for each square meter.
3. The supply should be effected within a period of 45 days from the date of firm supply order of this office.
4. The successful tenderer will have to enter into an agreement with the above office as per rules.
5. The tenderers should clearly mention in their tenders the local sales tax, the central sales tax and any other taxes and duties which are applicable to make a proper assessment of their quotations.
6. The rates should be for free delivery at Ponda and no separate transport charges on this account will be charged by the successful tenderer.
7. The Conservator of Forests, Panaji, reserves the right to accept or reject any or all the tenders without assigning any reasons thereof.
